

# manifold block VABM-B10-20E-G38-3

Part number: 576340

FESTO

## Data sheet

| Feature                                 | values                        |
|---|-------------------------------|
| Grid dimension                          | 22 mm                         |
| Assembly position                       | Any                           |
| Max. number of valve positions          | 3                             |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| Product weight                          | 866 g                         |
| Mounting type                           | with through hole             |
| Pilot air port 12                       | G1/8                          |
| Pilot air port 14                       | G1/8                          |
| Pneumatic connection, port 1            | G3/8                          |
| Pneumatic connection, port 3            | G3/8                          |
| Pneumatic connection, port 5            | G3/8                          |
| Materials note                          | Conforms to RoHS              |
| Material information, manifold strip    | Wrought Aluminium alloy       |
